Introduction

CoreLink II offers enhanced access, improved design and expanded menu features while also retaining the information that was available on the original *CoreLink*. Our new website provides access to a secured Internet connection so that Employers and Members can be assured that their information is protected. *CoreLink II* also consolidates separate activities into one location. For example, from the main menu Members will be able to search Providers, access the Plan Documents, request ID cards, check claim status, etc.

System Requirements

Internet Explorer is needed to be able to use the help feature.

Log On to CoreLink II

To obtain a User ID and Password, click on **Provider Access Request** and follow the on-screen steps. The request is then sent to Core for approval. Your log in is usually created within 24 hours. Please contact Core if you should have any problems or questions.

Now you can access your healthcare information
QUICKLY and **EASILY**.

ANYWHERE...

Quick Start Menu

- **Search & View Patient Claims** – quick access to claims information (see page 7 for details).

- **Search, View & Patient Information** – to conduct a search for a patient by either SSN (Patient ID) or Certificate Number (Alternate ID)

- **Search For & View Provider Information** – To conduct a search for participating providers in your health benefits plan. There are three search link websites which are Patient First Network, First Health Network, and Industry Buying Group (IBG) Network.

- **Access Important Resources** – find forms and links; you can also contact the health plan administrator for assistance with *CoreLink II*.

- Maintain System Settings** – This option allows you to quickly access and update your user set-up information. Update such preferences as your password, password hint, date and number format, plus your e-mail address. To save any changes to the existing display, click the update button at the bottom on the screen.

If you forgot your password, click [Forgot Your Password?](#) on the log-in screen. This box will appear with your password hint:
